MICHELLE

new and improved

Hey! It's me, Lindsey, welcoming back one of our most popular Teen Queens of the Month ever: Michelle! I didn't think it was possible for her to be hotter than she was back in the February 2008 issue, but yes, she is. Read on!

Hey, Michelle! What have you been up to?
I'm just about to start my sophomore year at college. I'm going to take a bunch of writing classes. So I can be like *you*.
***Aw*! So, I can't figure out what's changed about you, Michelle. You look *basically* the same, but it's like, I don't know, your smile is bigger or something.**
Well, I've been having a *very* good time.
You mean sex-wise?
Omigod, Lindsey! I thought I liked sex before. I didn't even know!
What changed?
Well, did you know that sex actually gets better the more you do it?
I think I'm familiar with that concept! How did it get better for you?
Okay, for instance? I never had trouble having orgasms. I mean, my clit is very sensitive. But I didn't know you could have orgasms *inside* your cooch!
Those are awesome.
Omigod, *so* awesome. I mean, you have to do it with the right guy. A guy who'll give you a little time to just sit on his cock and kind of twist and grind until you *get* it. The spot. Then when you find it, it's like a buried treasure or something!

What else have you learned, grasshopper?
Okay, last time I was here, I didn't have any girly experience. Remember?
Yes, I do! I was sad for you!
Well, now you can be happy, 'cause I am a pussy-lickin' *fiend*!
How did that happen?
Basically, just from being in college! Every girl there is like, "Well, this is my time to experiment, it totally doesn't count."
So, your lezzie activities don't count?
No, for me they do. I think I'm different from other girls. I'm not embarrassed of anything I do, and I never will be.
Okay, since you don't get embarrassed, give me some dirty details.
Well, I truly do love eating pussy. I like that it's even messier than sucking cock. When you *really* eat a girl out and make her come *hard*, your face just gets *covered*. I love to look at my shiny face in the mirror afterward!
Do you like eating pussy better than sucking cock?
No way! I mean, I can't compare. Both things are fun and make the other person feel awesome. I like to make people feel good.
And *you* like to feel good, too.
Of course! That's what sex is all about. Everybody feeling good, whether it's two people or ten.
***Ten*? What have you been doing at that college?**
Lindsey, it would take a *book*. You better ask me back here again! ★

"I like to make people feel good."

DEAR BARELY LEGAL

PANTY CONTEST WINNER

Announcing the results of BARELY LEGAL's June 2008 Panty Giveaway contest! Mr. Toney Ramirez of Arizona filled two typed pages with beautiful, totally poetic words for Chastity Lynn. He even mentions Shakespeare! We had to edit the letter to fit it, but even this short version shows why we had to send him Chastity's undies. Congratulations!

Chastity Lynn. I have long held an ideal in my heart, in my soul and in my dreams of feminine beauty and perfection, someone bright, radiant, beautiful. Just as I prepared to surrender to the corporate executives at work and admit to them that my ideal of beauty and perfection did not or could not exist, I found that perfection of my heart and soul. Perfection's name is Chastity Lynn.

Chastity Lynn. My heart and soul search for brightness, radiance and beauty to transform my mundane, everyday existence into something extraordinary, mystical and divine. They find those qualities in the beautiful features of your face. They find those qualities in the sparkle of your hazel eyes. They find those qualities in the white swells of your breasts, in the pink points of your nipples. They find those qualities in the unblemished softness of your creamy skin. They find those qualities in the shaved beauty of your pubic mound, in the succulent loveliness of your inner labia.

Chastity Lynn. My heart and soul feel more alive looking at you in your pictures or dreaming of you in my sleep than when I am fully awake and involved with the world. You are more real to my eyes than reality itself.

Chastity Lynn. I feel compelled to contact you, to connect with you in order to assure my eyes you are not an illusion, not a photographic trick of light and color and shadow. All my senses long to experience you, and so I feel compelled to prove to them that you are alive and real.

Chastity Lynn. I own a hot-pink tie the same shade as your undies. The tie contains light-blue hearts in diagonal lines across it, light-blue hearts that match the line of hearts on your waistband. If I should win your *scent*-uous prize, I intend to wear your panties to work over my heart, folded and displayed in the breast pocket of my suit as if your panties are the handkerchief matching my tie. In a meeting with all the corporate executives in attendance, I intend to stand up in front of them all, remove the prize of your sensuality from my pocket as if to wipe my lips and, instead, inhale deeply of your intimate fragrance, proving to my senses and for all the world to see that you are alive and real and my ideal of female perfection. You are my destiny.

With my sincerest affection,
Toney Ramirez
Arizona

Dear Jennifer [May 2008],
You are a very hot and sexy women. You are no dork. I also don't think you are nerdy. If you are, then so am I. I like video games, comic books, *anime*, sci fi and computers. I can't believe that guys don't ask you out. You are very sexy.

M. W.
by Internet

Thanks, M. W.! I feel like the hottest nerd girl in the world—except for maybe Kristen Bell in this month's News Flashes. :) Thanks to Art for his letter below, too. And super wet kisses to you both!
—Jennifer

Dear Lindsey,
I just received my May 2008 issue of BL, and, first things first, I have a confession to make. Every time I receive an issue of BL, I immediately turn to *Inside a BARELY LEGAL Girl* to see you. This month's [photo] of your backside gave me an immediate hard-on, your pussy looked so yummy!! But it is your smile that does it for me the most. I love your full lips. I could kiss them all night long.

I personally liked [the comic strip] *Room Mates*. I would love to see it again.

My favorite model this month is Jennifer. She is HOT!! I think she is way too hard on herself. I would ask her out; her breasts are beautiful. Lindsey, please tell Jennifer I think she is hot!! And Lindsey, I can never get enough of you!! You are the sexiest woman I have ever seen!!

Love always,
Art
West Virginia

Wow, Jennifer is totally getting her props this month! I'm surprised anyone even noticed me! ;)

I liked Room Mates, too, Art, and I'm super sad it had to end. But I hope you like our new hardcore comic, Peanut Butter. Let me know!
—Lindsey

Dear BARELY LEGAL,
I recently bought a copy of the May 2008 BARELY LEGAL, and I really enjoyed looking at all the lovely girls featured within, especially Mia. With springtime blooming, it's nice to see lovely girls featured in your magazine.

Michael
Texas

I love springtime, too, 'cause girls wear less and less clothes. And sometimes no clothes. Wait—that's BARELY LEGAL all year round! :) ***—Lindsey***

Dear BARELY LEGAL/Lindsey,
I just recently subscribed to your magazine, and I must say, I like what I see. I have the May and June 2008 issues. They're all hot, but there are two that are "smoking hot" in my opinion.

Lia is one of them. She is a gorgeous blonde. Love all of her pictures and like to see more of her. Like to see her wearing a string bikini (no top) and a thong. I like to jack off when I see her pictures.

And then there is Mia, too. She is a totally hot brunette. I get horny looking at her pictures. Like to see her in a string bikini.

What age group in men does Lia like? Also, any girls from Arkansas in past and/or future issues?

Please keep up the good work, and keep the hot babes coming.

S. W.
Arkansas

Lia says age is just a number, S. W. What she looks for in a guy is experience.

Arkansas, hmmm. I can't think of anyone, but you never know in the future. BL girls come from all over the country. Are Arkansas girls especially hot, in your opinion? ***—Lindsey***

Dear BARELY LEGAL,
As a longtime subscriber, I love all those sexy, young, delicious cunts we can always see in BARELY LEGAL! As for the June [2008 issue], I just want to say that my choice for "TV Child Stars of the '80s" [*BARELY LEGAL News Flashes*] is my personal fantasy—foxy babe Christina Applegate as Kelly Bundy from my all-time favorite show, *Married With Children*. Yes, it's so very sad that Christina tends to be so square compared to Kelly Bundy!! But anyway, Kelly Bundy will always be a sex fantasy for lots of guys like me!

And also from the June issue, I love all the girls, of course—especially the fantasy girl of my dreams, Lia. She's so sexy and pretty!! She says that her nipples are waiting to be sucked. I have to ask her—what else is waiting to be sucked? How about her sexy pussy!!

Very truly yours,
D. C.
Michigan

D. C., it was so fun making Christina Applegate our "Young Celeb Fantasy." It got me thinking, what other celebs could we do who are totally ancient now but were way hot years ago so they're still fantasies today? Any suggestions, guys? ***—Lindsey***

Dear BARELY LEGAL,
While not fond of "Young Celeb Fantasy," I do feel that *News Flashes* has definite potential worthy of coverage. With its tendency to be too soft-core, though—anything less than a nip slip—I am wondering if it would be beneficial to have alternate themes, like "G Spot," showcasing starlets from previous generations, or "Foreign Film Flirts," exposure of international entertainers.

A. T.
Michigan

A. T., you totally read my mind! We have an awesome theme for News Flashes this month. I sure hope you like girls who don't shave. ;) ***—Lindsey***

To all the lovely ladies of BARELY LEGAL, and of course to Ms. Lindsey,
I know you have DVDs of girls having sex with men. Do you have DVDs of your young ladies just taking off their clothes and spreading those legs? I do not mind seeing the girls playing with themselves a little. If you do, I would like to know how I could order them. I would also like DVDs of ladies peeing. I understand that you have a series of DVDs called *Hot Showers*.

Sincerely yours,
B. K.
Kentucky

First the bad news, B. K.: We do have a series called Hot Showers, but it is girls actually showering, not peeing. BUT—we also have a series called BARELY LEGAL All by Myself, which is girls alone, rubbing one out. I love it, 'cause I get lots of diddling tips. (Yes, I need them!) To order DVDs, call 1.877.325.6464, or visit hustlerhollywood.com. ***—Lindsey***

Adorable TV star Kristen Bell is, like, the number-one nerd pinup of all time. Case in point: She started out playing a teen detective on *Veronica Mars.* Now she has superpowers on *Heroes*. Nerdiness is cute and all, but it does not land you the coveted "Young Celeb Fantasy" title. However—perviness does! Geeky little Kristen recently revealed in an interview that she's been hanging onto her old Catholic-high-school uniform—so she can *wear it on her wedding night*.

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, I get so many letters asking me personal questions, I could seriously fill our *Dear BARELY LEGAL* column every month, all by myself. But that would be selfish, not to mention totally conceited. *So*—instead I'm going to use this *teeny* space to answer three of your most *popular* questions:

Do you hate/like/love anal sex?

I actually *love* anal sex. I lost my butt virginity, like, minutes after my regular virginity. It happened so fast, I didn't have time to be scared! Anyway, I love it 'cause it feels so, like, physically good to have a boner in your butthole—it really does!—but it feels mentally *dirty*. It's the perfect combination, for me.

Are you a spitter or a swallower?

Okay, I'm *always* honest with you guys: I can't swallow jizz. I mean, I *have* swallowed, but I stopped after one bad experience. I *really* want to get over my spooge phobia. It's embarrassing!

Where do you like a guy to come?

The dirtiest place—my booty! But if he'd rather blast off on my boobies or my face, I certainly don't mind! ;)

There ya go! If you have any more questions, send them my way.

And now I have a question for *you* guys: What was your favorite thing in the September 2008 issue? Let me know!

ASHLI ORION

something for everyone

Hi, guys! I'm Jenny the new intern. I just started here at BARELY LEGAL, and already I'm interviewing, like, real porn stars. Okay, Ashli's only made one movie so far, but she's *awesome* in it! She might *look* all sweet and innocent, but she's "super horny" and can suck the cold off a popsicle!

Hi, Ashli. What have you been up to?
Just hanging out with my friends and partying a little. I just moved to Hollywood, and it's *soo* cool.
Have you met any guys?
A few. It sucks 'cause I'm too young to go to bars or clubs or anything.
What are you into?
I love music, film, art, poetry, drawing, painting, photography, the beach, animals....
How did you get into nude modeling?
I sent some naked pictures to a modeling agency, and they signed me up!
What made you want to try it?
I've always been super horny. I knew my sexual appetite was much larger than most other girls'. I watched porn with my boyfriend and imitated what I saw onscreen in the bedroom.
How do you like doing it for real?
I absolutely love it! I get to lay in bed every night and think about guys jacking off to me—and it makes me smile.
You don't *look* like a porn star. So, what's the deal?
In porn, there is something for everyone. Some people actually *like* regular-looking girls with small boobies and big asses. I'm pretty comfortable with myself.
Would you ever get a boob job?
If I wasn't interested in doing porn, I probably wouldn't consider it, because I don't care that I have small boobies. But if I want to make it in porn, I think boobs will help that. Plus, big boobies *do* look sexy!

You did a *BARELY LEGAL* movie, right? How was that?
Awesome! We tried a lot of different positions. Plus, I *totally* impressed the guy with my BJ skills.
Do you like sucking cock?
I like sucking cock so much, I made a song about it—no joke!
What's your favorite position?
I'm a huge fan of missionary, but honestly, I love any position.
What're your favorite things to do, sexually?
Mmm...BJs are fun, but I like getting eaten out. I have the best orgasms that way. That's how I found out I could squirt!
Really? You can do that? I thought that was a myth!
Oh, no! I totally squirt. Sometimes, when I play with myself, I soak the sheets!
Do you want to be a porn star? What are your future goals?
I have a lot of goals. I want to be a musician, an artist, an actress, a film writer/director/editor and, yes, a porn star. I have never been happier than I am right now, working in the adult industry! ★

eaten out."

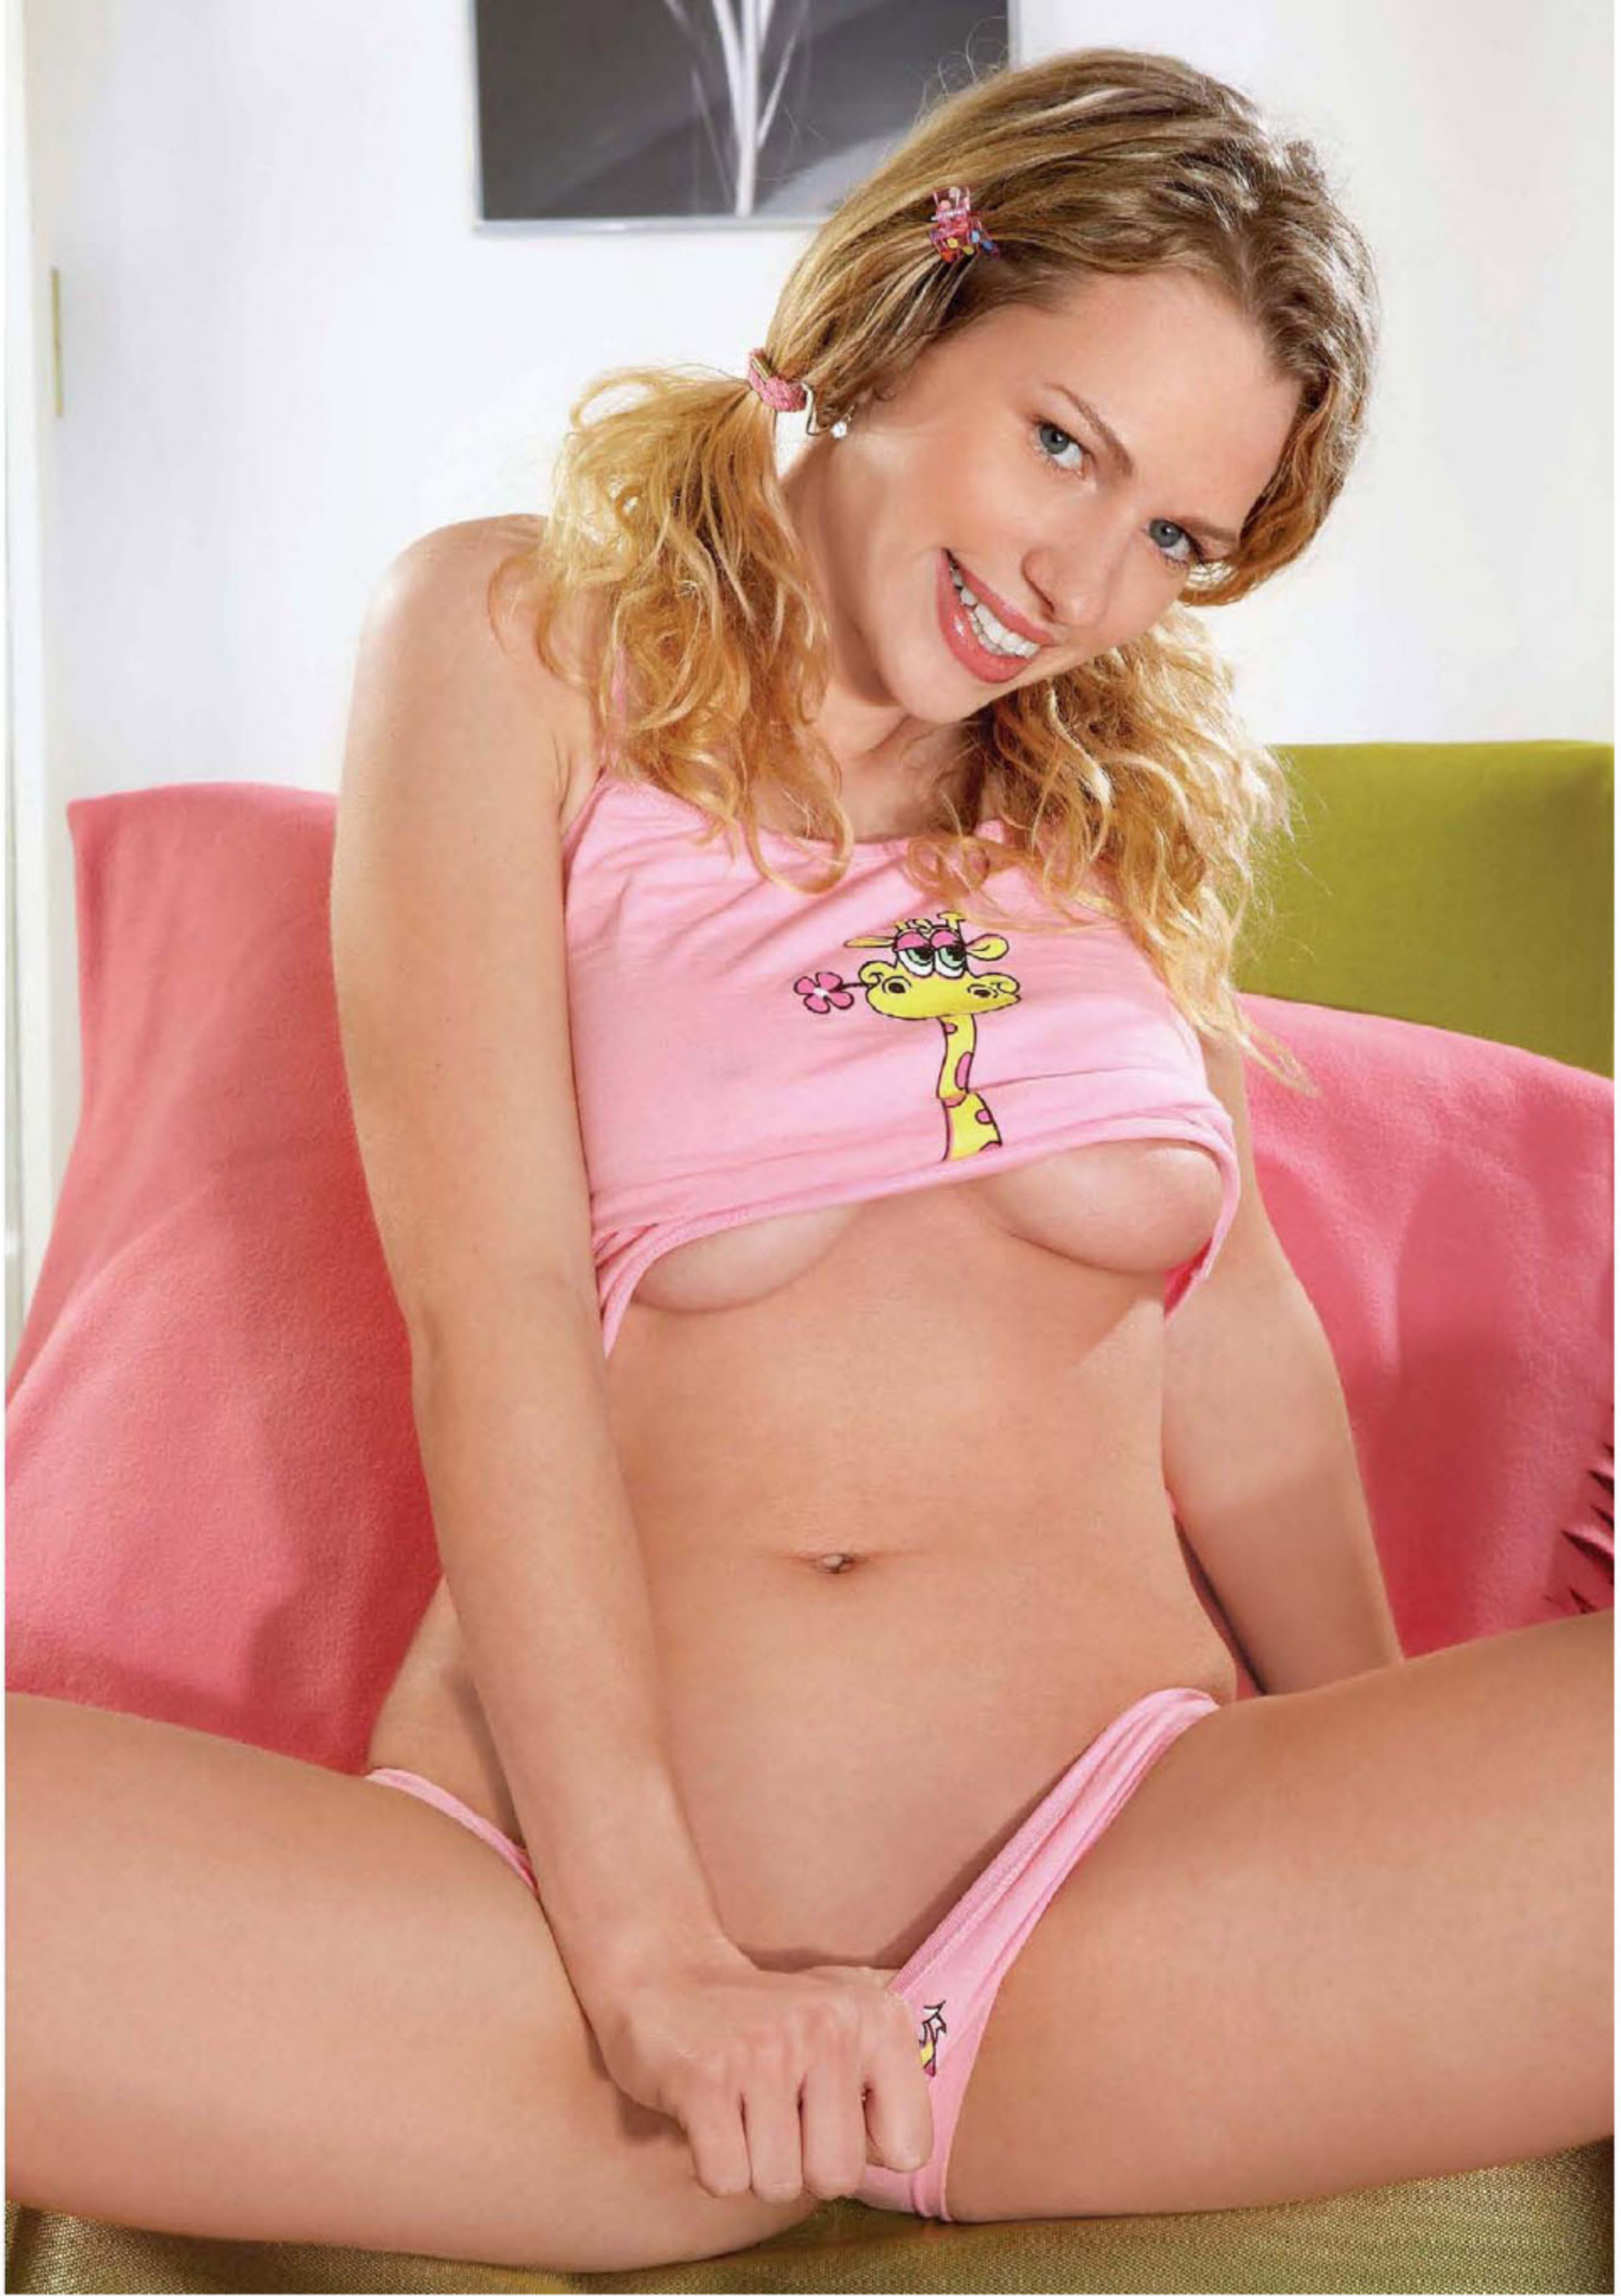
ANITA

proud to be a butt slut

photography by jana krenová



Hi, guys! I'm Allie, one of the new interns here at BARELY LEGAL. Anita's still in high school, so her friends think she's a slut for doing it in the butt. Please! Just wait 'til they get to college!

Hi, Anita. How have you been?
Great! I'm having a lot of fun.
What do you do in your free time?
I like to read, travel, hang out, watch TV.
Do you have a boyfriend?
Not really.
What do you mean?
Well, I know a boy, and he's my friend, but he doesn't know I have a crush on him!
Why don't you make the first move?
Nu-uh! I'm way too shy.
What do you look for in a guy?
I like nerdy guys. I like rocker guys, too. Glasses and tattoos are, like, an irresistible combination.
What's your dream date?
Riding scooters around Italy with George Clooney, eating delicious pizza and spending the whole night at his villa—without sleeping a wink!
What's your sexual personality like?
I can be a little silly. Sometimes guys get mad when I giggle during sex, but that just means I'm having a good time! Boys are so sensitive!
What's your favorite sexual activity?
I like oral—both giving and receiving.
Do you spit or swallow?
If a guy comes in my mouth, I'll swallow. I don't love the taste, but if it hits the back of my throat, I'm good!
Have you ever been with a girl?
No. I like dudes.

Age: 18
Height: 5-5
Weight: 132 pounds
Measurements: 36C-25-36
Hometown: Knoxville, Tenn.

Have you ever hooked up with a complete stranger?
No. I thought about it. I met this cute guy online, and we went out. But I think it's best not to hook up with random Internet peeps.
What's the wildest thing you've ever done in bed?
I would say giving a guy a blowjob—after he took his thing out of my butt!
***Ew*!**
No, it was hot! Okay, yeah, there was an ick factor, but that just made it so much naughtier!
Do you like anal sex?
Yeah. I tried to explain to my friends how hot it is, but now they all think I'm a slut.
They're just jealous!
Well, whatever. I don't get mad about what other people think. Besides, they're technically correct. I mean, if butt sex isn't slutty, what is?
I don't know. There are lots of girls who have butt sex to keep their virginity.
Oh, come on! That's totally cheating!
How do you like to be fucked?
Hard! If my legs work afterward, you're doing it wrong!
How can a guy best make you come?
Eat me out!
What's your biggest sexual fantasy?
Sex on the beach at sunset.
Did you like posing nude? Did it make you feel sexy?
Totally! I just hope my friends don't find out. That would just cement my place in the slut hall of fame!
Yeah, but you'll be *soo* cool when you get to college. Guys'll be all over you.
I sure hope so! ★

LENA HAWKINS

eager to please

Hi, I'm Allie the new intern. Petite high school senior Lena was shy at first, but the more we talked, the more she revealed. Mainly...she's a total sex fiend!

Let's start off with some getting-to-know-you-type questions.
Oh no! I hope I don't say anything too embarrassing!
What's something not many people know about you?
When I'm driving alone in my car, I sing at the top of my lungs. And I move around in my seat when I'm at a stop light, to dance. Sometimes I know other drivers are totally staring at me, but I don't care!
Do you work out a lot?
I like to go to the gym sometimes. I like swimming, but I don't play sports or anything.
What do you like to do?
I love to sing, go out dancing, spend time with family and friends, or just chill.
What do you look for in a guy?
I love funny guys. I'm also really attracted to boys who have tattoos and some piercings.
What are you like in bed?
I can be really shy sometimes, so I like it when the guy takes charge. But I have an open mind. I like to try new things, and I *love* pleasing guys.
Do you like oral sex?
I love giving blowjobs! It's my favorite thing to do.
Do you like anal sex?
If that's what the guy is into.
Have you ever had sex with a stranger?
Yes! It was exciting. All I knew about him was his name!
Have you ever had sex with two guys at once?
No! One guy at a time is all I can handle!
Have you ever had sex with a girl?
Not yet. I'm saving that for college.

Have you ever had sex in public?
I did it on a camping trip once, but it was late, and nobody else was around.

What's the naughtiest thing you've ever done?
Giving head to a guy while he was driving!

What's the absolute best sex you've ever had?
Over the summer, I went to California on vacation and hooked up with this really hot guy. We knew we'd probably never see each other again, so that night was all about having as much fun as humanly possible.

What's your ultimate sexual fantasy?
Well, it's a total fantasy. I would probably freak if it happened in real life, but I like to think about a guy pushing me against the wall and pinning my arms above my head with one hand while the other hand makes its way under my skirt and fondles my puss.

Whoa! Is it hot in here, or is it just me? Did you like posing nude?
I loved it! It was fun. I would love to do it for a living—or at least as a way to pay my way through school.

ZALEY ZANE

texas hold 'em

photography by mark lit

Age: 18
Height: 5-7
Weight: 120 pounds
Measurements: 36B-24-34
Hometown: Brenham, Tex.

Hi, guys! I'm Allie, the new intern. Zaley Zane has got it going on. This fun-loving girl from deep in the heart of Texas has her head on her shoulders—and all her other body parts are in the right place, too!

Hi, Zaley. What's up?
I'm just chillin'—in the nude! What's up with you?
What do you do besides model?
I'm a student. I just started college.
How do you like college so far?
It's a lot of fun. There's tons of awesome people.
What do you like to do in your free time?
I like volleyball, backpacking in Colorado and having pillow fights with my girlfriends.
Have those pillow fights ever led to any smoochies?
Yes! I've hooked up with a few of my besties.
Are you bisexual?
As far as feelings? No. But when it comes to sex? Yeah.
How is sex with girls different from sex with guys?
Uh, no penis? No, I don't know. Girls are sexy. I like boobs as much as the next guy. Besides, like, I can make out with a girl I just met, and we can be all over each other, and it's totally comfortable and silly and not weird.
What's the best time you ever had with a girl?
The first time. I couldn't believe it was actually happening! It was so exciting and new. But it turned out pretty well. LOL!
What's your favorite type of music?
I'm a country girl.
What's your favorite food?
Chocolate-covered strawberries.
***Ooh*! Have you ever eaten them off a guy's stomach?**
Uh...yeah! How'd you know?
Lucky guess. What's your favorite place?
The beach.
Have you ever had sex on the beach?
No, but I've always wanted to. Come on, y'all—it's so romantic!
Where's the weirdest place you've had sex?
All the peeps I've met in California think it's weird to have sex in the back of a pickup truck, but that's actually pretty normal down in Texas.
Are you seeing anyone?
I'm single right now, but I'm hoping that'll change.
What turns you on?
Men in uniform and facial hair.
What are you like in bed?
I've been told I'm wild! But I can be sweet, too.
What's your favorite position?
Doggy-style.
What's your favorite thing to do in bed?
Suck cock.
Do you swallow?
Of course! That's the best part.
How can a guy best make you come?
Fuck me hard. I'm talkin', pound that pussy raw.
What's the naughtiest thing you've ever done?
One time, I was pretty hot and heavy with two guys at the same time. I was totally down for a threesome, but one of the guys chickened out!
What's your biggest sexual fantasy?
I'm curious about bondage. There's just something about the thought of being all tied up and "helpless" while a guy ravishes my bod.
What are your goals for the future?
I want to graduate from college and own my own business someday.
Did you enjoy posing nude? Did it make you feel sexy?
Of course! I had fun. I'm glad I went for it. Life goes by real fast, and I don't want to have any regrets! ★

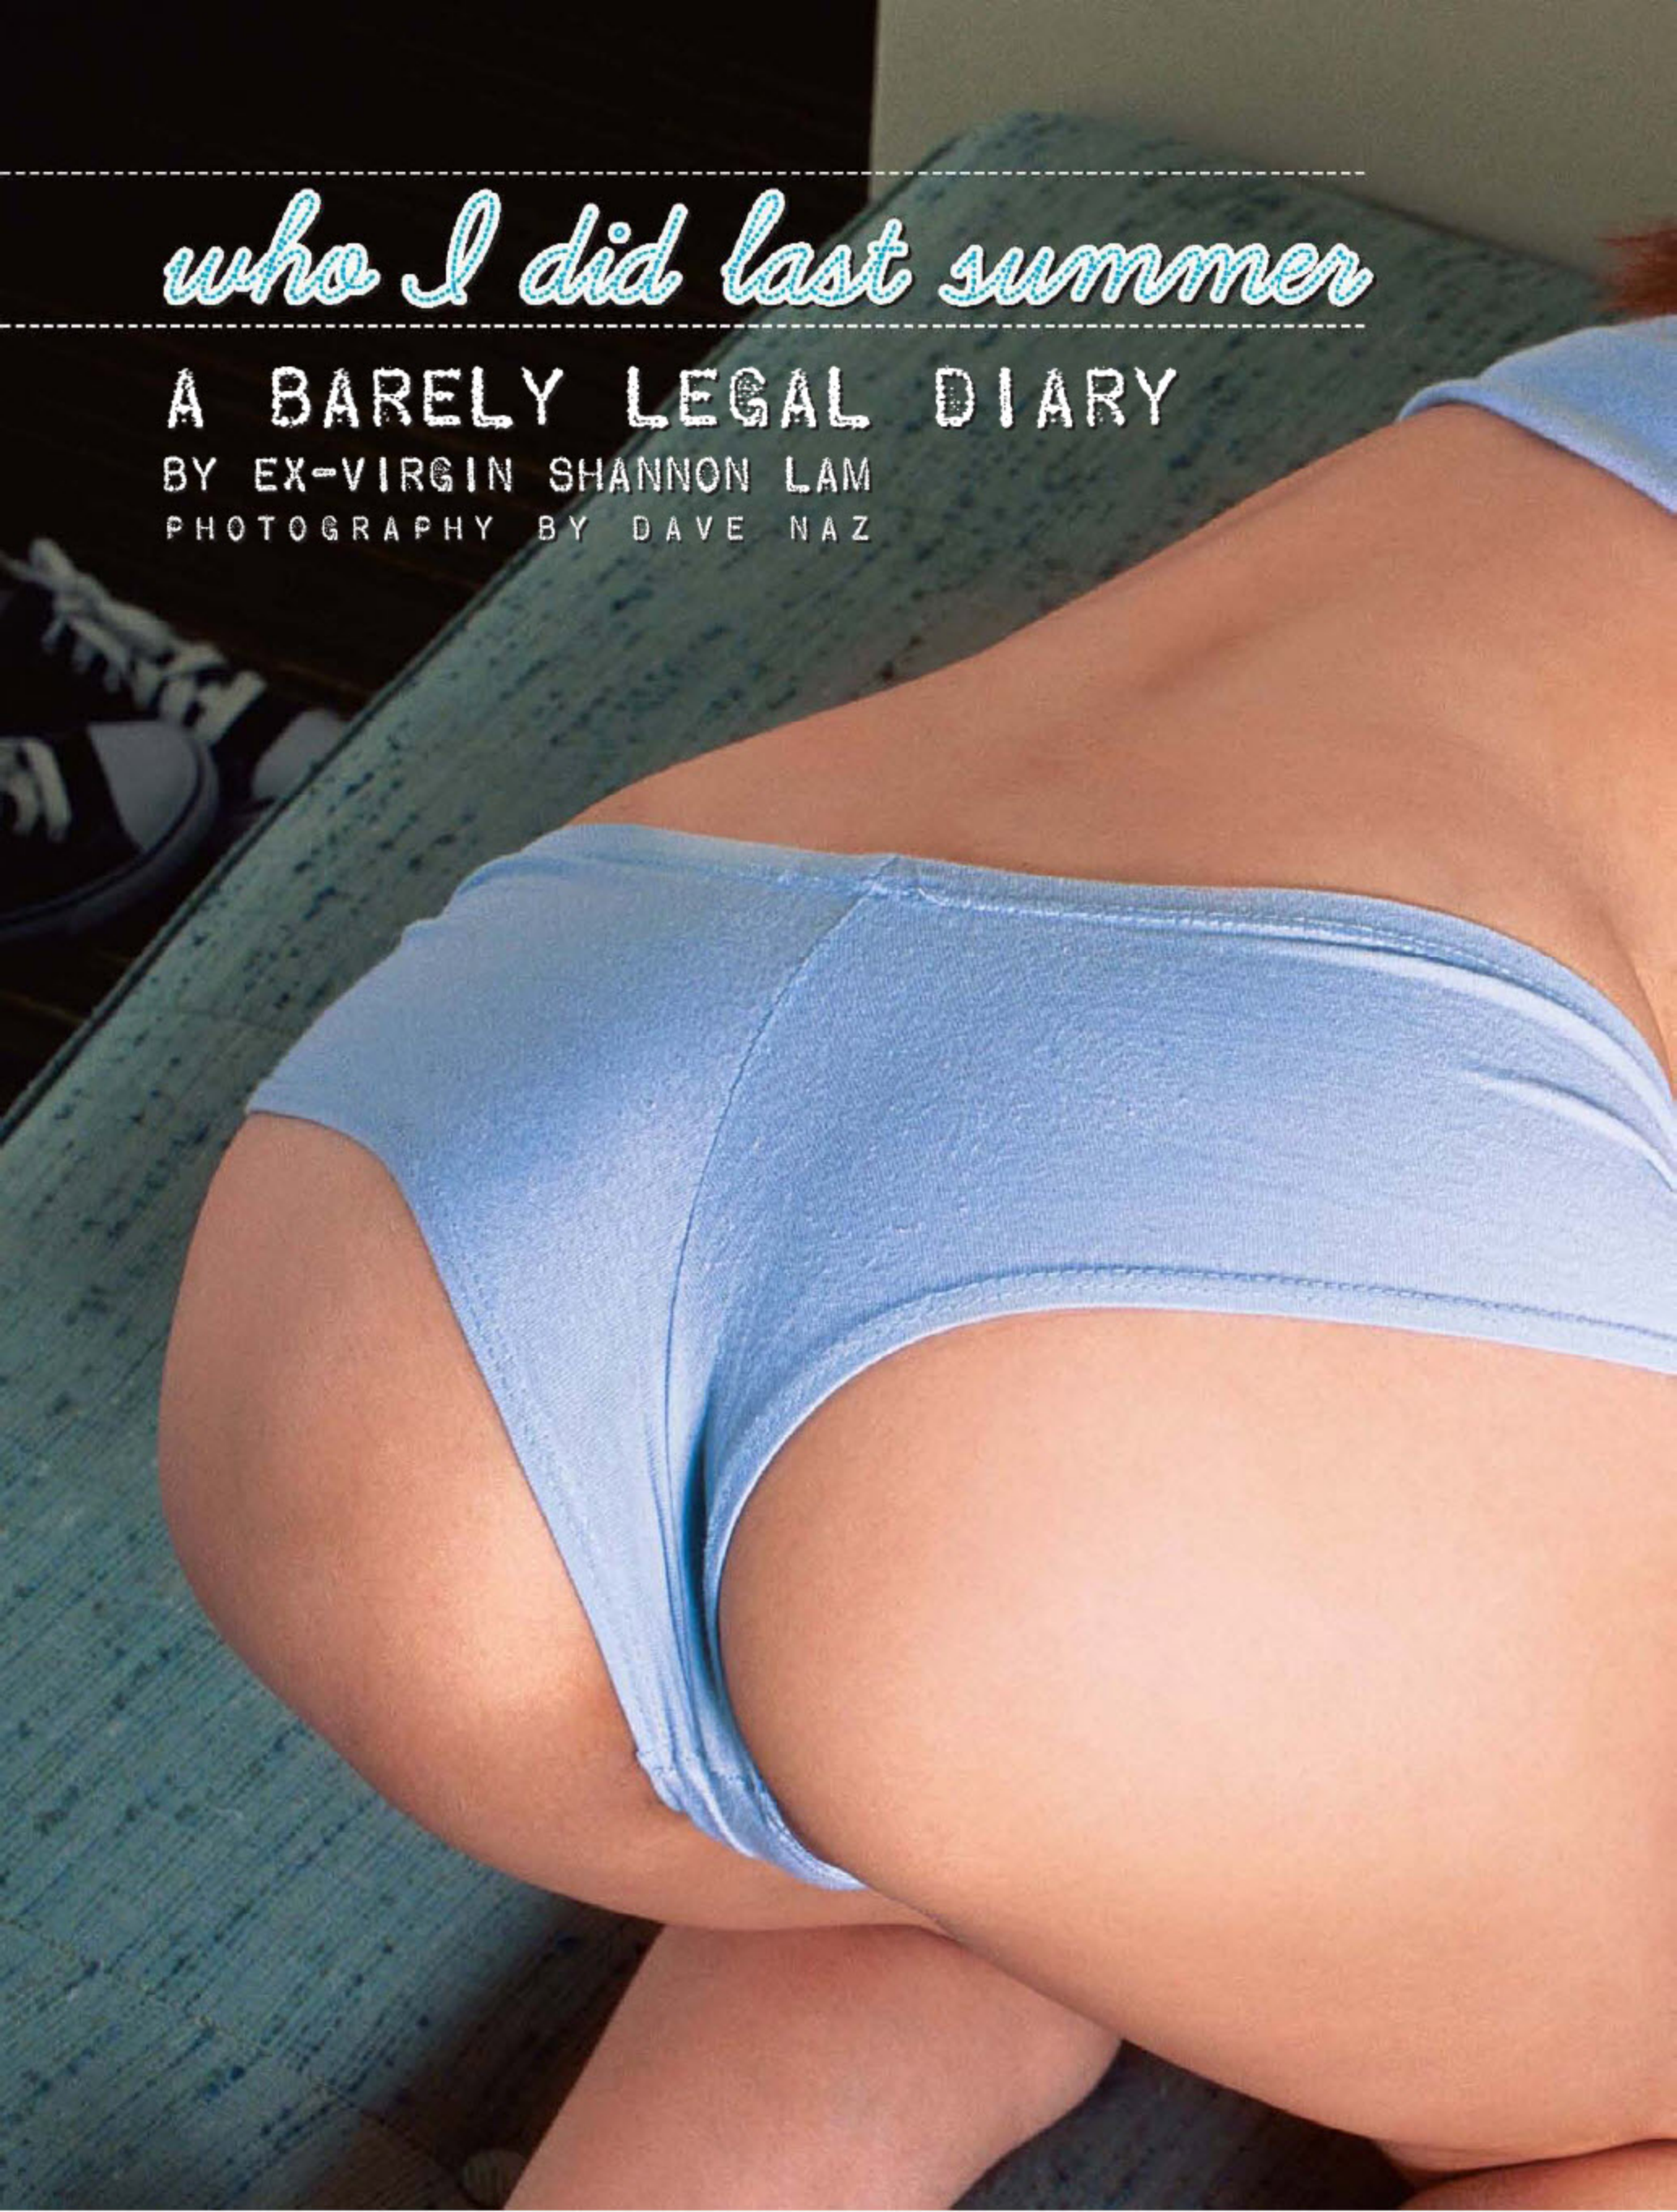
A BARELY LEGAL DIARY

BY EX-VIRGIN SHANNON LAM

PHOTOGRAPHY BY DAVE NAZ



Hey, everybody! I'm Shannon. It's so crazy that I'm going to be in BARELY LEGAL! I was always the most straight-laced, virginal person. Well, until this summer. That's what I have to tell you all about!

First though, a few normal things about me: I'm 18, born and raised in Houston, Texas. My parents are from Vietnam. They run a restaurant and go to church a lot. I love them, but they're so strict! I still live at home 'cause I'm a dork. My interests are music, especially hip-hop and dance, and also science. I plan to become an R.N.

I'm pretty boring, can't you tell? Well, maybe not, 'cause here I am, naked in a magazine. Wait till you hear about my summer! I kept a diary, and I'm sharing all the juicy parts. Enjoy reading all my deep, dark secrets!

June 7

I can't believe school's out. I'm excited to start college, but I'm sad, too. My BFF Holly is backpacking in Europe, seeing the world and meeting cute guys from Sweden. I wanted to go *so bad*, but there was no way Mom and Dad would say yes. It makes me mad. I mean, I'm not a kid! Oh, well, at least I got a job somewhere other than my folks' restaurant. I'm starting Tuesday at Tropix Music. *Yay*!

June 10

I started my new job! The girl who trained me, Felicia, she is so cool and pretty and super nice. She's, like, a total music expert and *so* stylish. She reminds me of Rihanna in a way, only blond and Caucasian. Work rocks, but it kind of sucks because I have to start in the posters and T-shirts department. Pretty lame, since I want to be in hip-hop and R&B. Felicia says I'll work my way up in no time, so don't sweat it.

June 18

I didn't get to hip-hop and R&B yet, but after one week I've been promoted to DVDs! Also, Felicia invited me to go out with her after work on Saturday. I'm so excited and nervous, too. I know that's dumb 'cause she's a girl and it's not a date, but I've never hung out with a super cool beautiful person. Not that Holly isn't beautiful, but we've never been cool, you know? Anyway, Felicia said her friend Pablo is having a party and there's going to be a DJ and I'll love it. I don't know what to wear, plus Mom and Dad will want me home, like, so super early. I'm 18 now! How do I make them understand?

June 22

OMG, I'm in so much trouble for not getting home till after midnight. Whatever, it was worth it. What will Holly say when I tell her I touched Jake Preston's peen?!

Yes, *the* Jake Preston, king of the class of 2006, Mr. Cool of Leighworth High. He's been gone for two years, but girls still talk about him. We made out and I can't believe it!

I felt so nervous and dorky walking into that party, but I guess I didn't look it. Felicia's sister works at MAC and she did my makeup. Plus I bought a new outfit, a baby-blue halter dress with big brown and green birds and flowers printed all over it. Felicia said I was smoking hot, so I was, I guess.

Jake Preston didn't even recognize me. He introduced himself and told me how he plays football at Southern State, and I was like, Is he talking to me? He offered me a Bud Light Lime. Turns out I'm a lightweight, 'cause after one beer I was buzzed! That's okay, because otherwise, maybe I wouldn't have had the nerve to get with Jake like I did.

We sat by the pool and talked for like an hour, mostly about him. To be honest I was bored, but I guess I'm, like, a female player because I didn't care. I was hot for him!

It was pretty romantic when he first kissed me. He was like, "Shannon, I think you're beautiful and interesting. Can we be alone?" Off we went, under a giant willow tree. He held my face in his hands and leaned in and kissed me, super soft. I was swooning. His lips were warm and he was tickling me with the stubble on his chin.

Tropix. He comes to see me after my shift. For the last two nights he's done it! We stop for Frappuccinos at the food court, then go make out in Jake's Tahoe for like an *hour*. But then I'm so lame. I have to hurry and get home because I can't stay out late without permission.

The big news, though, is that I sucked his dick. OMG, I know! But I loved it. Before, I kind of thought BJs were a slutty thing to do. I always felt that a BJ was something that should be special within a committed relationship. Well, now I understand that BJs *are* special, but you don't have to get married over it.

I was nervous, but it's fine. I used a lot of spit and kept my jaw relaxed. The more I slobbered, the easier Jake's boner slid into my mouth and back and forth between my lips.

There's something about putting a guy's junk in your mouth that makes you feel really strong and special. I guess from giving pleasure. There wasn't any doubt Jake was feeling pleasure, too—he came in my mouth! It sounds gross, but when you're doing it, it's so awesome you're just like, Yeah! Load my mouth full of jizz!

Can you believe it? And yes, I swallowed. It went down like Frappuccino—smooth and delicious. Well, it's kind of salty and weird, but it came out of Jake's dick, so I loved it. Sick, I know. Maybe I'm in love though, for serious.

Things got heavy. Jake flicked his tongue against mine. It was a weird, sexy feeling. My heart flip-flopped. My pussy squished. He slid his hand into my halter. I wasn't wearing a bra 'cause my boobs are tiny. My nipples were like, *boing*! He stuck both hands in my shirt and pinched my nips while his tongue was still in my mouth. My clit was, like, *vibrating*. When he ducked down and licked on my boobies, I thought I'd pass out! I could have let him lick and suck my boobs all night. But then he busted out his dick and I had to snap out of it.

I don't understand how a girl is supposed to magically know how to touch a guy's penis. But somehow, I knew how to do it. I squeezed, and a drop of goo dripped on my hand. I rubbed the goo on his shaft to make it more slippery. I tugged a few times, and he was all, "Yeah, that's it, baby," so I kept going. He rested on his elbows and threw his head back and sucked in air, then his spoo shot out. It went far, too! It almost got in my hair!

I feel like such a slut. Actually, I love it. Felicia was like, "Nice, but don't get any girlfriend delusions. Jake has the *worst* reputation." I already knew that. Besides, we could never be boyfriend and girlfriend. What would we talk about? We could just make out, I guess.

June 27

I thought for sure Jake was a one-night stand, but he's been coming by

June 30

It's been the *worst* weekend. Jake didn't come by work at all on Saturday. He hasn't even called me, either, and it's been three days. He was just using me. I knew it. At first I thought I didn't care, but now I care a lot. Jake got what he wanted—a blowjob—and now he's done. I'm *so* depressed.

July 5

Well, about the strangest thing ever has happened. And P.S., Jake called, but that's a whole other story. First I have to tell you about my crazy experience.

Felicia invited me to her dad's for the Fourth of July. Her dad has a big house and always goes all out. So I went. It was a pool party, but I only sat at the edge with my feet in, feeling pale and skinny. I didn't have time to shop for a glamorous bathing suit, so I wore the blue Speedo I had from when I was on swim team in 10th grade.

Felicia brought me a margarita and said it was cool if we drank, her dad didn't care. I was like, Okay. I guess now I'm a regular drinker since I hang out with all these bad influences! Well, I found out that margaritas are different than beer. They have tequila, and tequila makes me feel weird. How do I explain? I guess just by saying straight out that drinking tequila turns me into a lesbian! I totally started flirting with Felicia and telling her how beautiful she is. I was like, "Sometimes I wish I could be your girlfriend." ???!!! Where did

"MY CLIT
WAS, LIKE,
VIBRATING."

that come from? I never even knew I felt that.

But anyway, Felicia wasn't exactly warding off my advances. Actually, she was totally into it. She took my hand and led me to her dad's guest room. I laid her on the white brass daybed and pulled her bikini bottoms all the way off and went to town on her puss. I was, like, *aggressive*, so unlike myself. It was awesome, though. She was squealing and pushing her crotch into my face. I jammed my tongue as deep as I could into her hole. I was so turned on, I started masturbating right there, while I licked her pussy!

I might as well be honest and say that I enjoyed licking her pussy. Yes, I did. If that makes me gay, so be it. Although, I know I'm not gay because I still have feelings for Jake. But I must be a *little* gay, 'cause I totally made Felicia come with just my tongue. Plus I got *so* excited when her girly juice dribbled down my chin that I came, too. My pussy clamped around my fingers like a clam.

Then it was weird—we just walked back outside and sat in the pool together drinking Diet Cokes like nothing ever happened. I guess that's the way it is when girls are with girls. Natural, no drama.

Jake called later, like he could sense that I'd momentarily forgotten about him. He left me a text: WHEREZ MY GIRL AT? I played it cool and didn't respond until this morning, when the tequila had completely worn off and I was no longer a lesbian.

July 9

Guys are so weird. Now Jake is acting like he's all in love with me. He's started coming by work for make-out sessions again. Felicia says I exude confidence because I'm a real woman now that I've had a gay experience. Maybe so, but I still love to kiss Jake and rub him. I do have feelings, so we'll see what's next.

July 14

Okay, is Jake my boyfriend? Because we just shared a romantic weekend. He was like, "Let's go camping." And I was like, "I have to work Saturday." (BTW, I *wanted* to say, "Why haven't you called me in so long?" But Felicia warned me not to sound desperate. Personally I think, shouldn't I be able to share my true feelings?)

So then Jake was all, "Sunday, then." Well, I didn't want to tell him that my folks would never let me go unless I lied to them, and I really don't believe in lying to my parents. But what's a girl to do when she's possibly in love? So I begged and begged and told my folks I was going with Felicia. By some miracle, they said yes. Maybe my parents are finally accepting that I'm grown up.

Anyway, the point is that Jake took me to Brazos Bend State Park for a magical weekend. Or a magical Sunday, I guess.

We were camping under the stars, so we didn't pitch a tent. We were basically in a swamp. The mosquitoes were as big as chickens, and secretly I was afraid of alligators, but I didn't tell Jake that. I enjoyed feeling his arms around me while he fed me Miller Lite and Fritos chili cheese chips. It was unreal, because here I was with one of the cutest guys I've ever seen, and just like a couple weeks ago I'd never even had a real boyfriend!

The sun went down. It was still warm and muggy, but it cooled down a little bit. We stretched out on a blanket and stared at the sky through the long drippy live-oak branches. There were no stars, but the clouds were bright and skimming by fast. Jake started kissing me. Our legs entwined and we started to dry hump. It was so strange. I could feel his boner rubbing my pussy through our pants, and there was something about that friction and motion that took me out of my head. Like, all I knew in the whole wide world was that I wanted him. The next thing I knew, we were naked.

I imagined my first time different ways, but it was always sort of foggy and, like, in a fantasy land. I sure wouldn't have thought it would be Jake Preston, even though maybe I might have imagined somebody as cute as him.

But anyway, now it was for real, about to happen. I wanted it *so bad*, but my body froze a little. Jake's penis looked *big*. I didn't think it could possibly fit into my tiny hole, and I was positive it would hurt.

But Jake was *so* sweet. He could tell I was worried. He said he wanted to lick my pussy a little first. He spread my legs and swirled his tongue around my clitty. Oh.My.God. Did I mention it was my first time for *that*, too? Getting eaten out, it's like a drug! My mind melted right down into my pussy.

Now I was definitely ready for Jake's giant penis. But he still took it slow and gentle. My pussy was so wet, his dick slid right in. It didn't hurt at all! I felt like a flower opening up once he was in. Sorry if that's corny, but it really felt as beautiful as that. We moved together and I was just thinking, So this is why people like to do this. I let my legs fall open as wide as they could stretch and concentrated on how it felt to be filled up with Jake's penis.

All of a sudden, cum splattered my stomach. We didn't last too long that first time, I guess, even though it *felt* like a long, beautiful time. Jake says he was too excited. That's okay, we did it again—*three times*. We did it doggy once, which felt *so* dirty and awesome, and another time I sat on top of him like I was in charge. There are so many different ways to do it!

I don't know what all this means, but I really feel that I would love for Jake to be my boyfriend. I like him a lot, even though we don't talk about anything except how much he likes sports and the Dave Matthews Band. Who knows if we're meant to be, but I still love him. He gave me something precious. Finally, I'm a real woman. ★

MONIKA

TEEN QUEEN OF THE MONTH

photography by matti klatt

Hey, it's Lindsey. Our new Teen Queen of the Month is *so* exotic-looking—but don't be fooled by her face!

"My mom is 100% German," explains Monika, "and I'm, like, her *double*. But I was born here, and I am totally a typical American girl. I love cheerleading, shopping, gossiping. And sex!"

Describe yourself, please: I'm fun, energetic, a good friend.
Favorite hobby: Cheerleading. It's basically my entire life, 'cause we cheer for every team, the whole school year. But I love it 'cause it keeps me in shape, plus I get to hook up with the players. Jocks are *hot*.
Romantic status: Single. I'm too young to settle down.
Pet peeve: When people think cheerleaders are automatic sluts. In case they don't know, midriff-baring tops are practically mandatory, and having lots of makeup on is necessary so the crowd can tell you have a face from far away. And our dance moves are sexy, but guess what? It's just *dancing*. Get over it!
Most sensitive area of your body: My nipples. I love it if a guy bites them, like, *almost* too hard.
Fave masturbation method: Vibrators are the best.
Turn-ons: Big muscles and tight butts.
Turn-offs: Jealousy. Hating on people just 'cause you don't understand them.
Best way for a guy to approach you: I always think of my favorite cheer, B-E-A-G-G-R-E-S-S-I-V-E. :)
Fave sex position: With the guy on top, kind of, like, overwhelming me.
Spitter or swallower: I'm sorry, but I just can't swallow! I hope guys don't take it personally.
To bi or not to bi: Me and the other girls on the squad can get very cozy and affectionate sometimes, but I *personally* haven't gone all the way.
Butt sex, yay or nay: Yay. It feels good, and it's natural, so people should get over that, too. In the butt does not equal slut!
Something nobody knows about you: That I'm not just about cheerleading and being popular and looking good. I have serious thoughts and feelings. But they're secret, only for my diary.
Reason for posing nude: Not to sound conceited, but I think I look good naked! Plus, it might help me in my career later on.
Ultimate goal: To be a professional cheerleader. ★

CARLY

some like it wet

photography by max bullman

Hi, I'm Allie, the new intern. Unlike Carly, I'm *way* too shy to get naked in public. But I guess that's why she's the hot model and I'm the one asking this college freshman all about her sex life!

What do you like to do in your free time?
Hang out with my friends, go to movies, concerts, the lake—obviously! But I don't always get naked.

So, why did you this time?
I was curious. I love the way the sun feels on my skin, and I wanted to get that feeling all over. My whole body was like one big tingle—or, actually, a million little ones!

Have you ever had sex outside before?
No, but I *soo* want to now!

What's the weirdest place you've ever had sex?
In the girls' bathroom at school. But I think at least part of that weirdness had to do with me having sex with a girl!

Are you into girls?
I guess. I mean, I'm not a total lez, but girls are hot! Besides, I'll try anything once!

What's the wildest thing you've tried?
Mmm...I'd have to say butt sex.

Really? What's it like?
It didn't hurt as much as I thought. I was so afraid to try it, but it was actually pretty nice! It's different, and it's naughty, and it's something most girls won't do—advantage: me!

What's your favorite thing to do in bed?
I like doing it *out* of bed—like, in weird places. I did it in the library once, the bathroom.... My favorite is in the shower. That's *soo* hot! It's like doing it in a waterfall!

Age: 18
Height: 5-7
Weight: 114 pounds
Measurements: 36A-24-34
Hometown: Frankfort, Ky.

So, you like to get wet, I take it?
Of course! I like to get wet down there—and I love to get wet all over!

Where do you like a guy to come?
I like it in my mouth. You know, I swallow. But I like it when a guy pulls out after butt sex and blasts my ass! I like it when a guy loses control and just comes wherever!

It takes a lot of guts to do nude modeling. How nervous were you?
Very! I probably would have peed my pants—if I were wearing any.

It also takes a lot of confidence. What do you think is your best feature?
Definitely my butt. It's pretty firm. I work out a lot!

What do you do in bed to drive guys crazy?
I think I'm pretty good at blowjobs. That keeps guys pretty happy—sometimes too happy! One guy I dated, like, never even wanted to fuck me! He just wanted me to blow him like five times a day!

What's your wildest sexual fantasy?
I want to do it with a guy with a really big dick—and see if I can take it all!

Would you want to be a porn star?
Maybe. I could see myself doing that. It seems like a great job.

What are your goals for the future?
I haven't decided yet. I love a lot of different things. I just want to find something that makes me happy. ★

She meant to hang up but... From the sound of things she was pretty preoccupied...

I could hear everything... The slap of their balls on her ass. The constant rocking of the bed...

Erica's moans, muffled by the "The Asshole's" dick in her mouth...

SONYA

more cushion for the pushin'

Hi, it's Jenny, the new intern. Can you believe how sexy Sonya is? I was afraid she'd be too cool to talk to me, but she was really a lot of fun. Turns out, the college freshman is as new to nude modeling as I am to interviewing nude models, so we had a lot to talk about!

Hi, Sonya. *Um*, I love your pictures.
Thanks. But you have to say that!
No, I don't! They're totally hot. What made you decide to pose for nude photos?
I don't know. I thought it would be fun. It's better to do wild stuff while you're young, right?
You definitely look like you're having fun. What was your favorite part?
I guess knowing that guys were going to look at the pictures and hopefully get off on them.
What do you think is your best feature?
Definitely *not* my microscopic boobs! But I'm pretty outgoing. I think my smile and my personality help me get guys.
Are you sure your booty has nothing to do with it?
Well, maybe what I like to *do* with my butt. Guys love it when I tell them I like butt sex!
Do you really?
Yeah! My friends think it's slutty, but I think it's hot.
What other stuff do you like in bed?
I like it a little rough, like when guys pull my hair or give me hickeys.
Have you ever been with a girl?
Why, do you want to have sex?
No! Well, not that I *wouldn't*, but I don't think I'm supposed to hook up with the models. I just meant in general.
Um, I've fooled around. My roommate and I like to sleep in the same bed sometimes.
You *sleep* in the same bed?
Well, first we kiss a little and touch each other until we come. It's very relaxing, especially during exams.
Have you ever been caught doing something embarrassing?
One time my stepbrother caught me playing with myself. He totally just stood there and watched!
Is he hot?
So hot! Maybe that's why I didn't tell on him!
Do you masturbate?
I touch myself a lot, just to get a little buzz, like, when I'm bored or whatever. But I don't, like, full on make myself come more than once or twice a week.
What do you fantasize about?
My biggest fantasy is to pretend I'm, like, a stripper and guys just can't take their eyes off me!
Do you want to do that for real?
I've thought about it. But I don't know if I could really do it. What if I don't have what it takes?
Well, you have what it takes to be a model.
Really? I hope the readers agree with you! ★

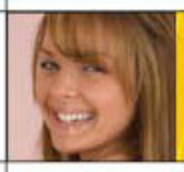
BARELY LEGAL

BOX OFFICE



WE GIRLS AT BARELY LEGAL THINK THE BEST PERSON TO JUDGE THE REALNESS AND HOTNESS OF A LEGAL-TEEN VIDEO IS A REAL, HOT LEGAL TEEN. HERE TO REVIEW THE LATEST RELEASES IS THIS MONTH'S GUEST CRITIC, MICHELLE.

Bobbi's all, "Hey, quit tickling!"

Charmane takes a snack break.

Lindsey's been bushwacked!

Sorry, Marlie—it's Paige's turn to play with it.

LAME, BUT BETTER THAN DOING HOMEWORK. ★	GOOD ENOUGH TO COME WITH THE HELP OF A FINGER. ★★★

HUSTLER'S REAL COLLEGE GIRLS #15

★★★★

HUSTLER Video. Directed by Matti Klatt; starring Charmane Star, Lindsey Meadows, Marlie Moore, Paige Love, Bobbi Starr, Kissy Kapri, Talon, Sascha, Jack Venice and Steven French.

Real College Girls #15 covers everything from girl-on-girl pussy-licking to nasty anal action and everything in between in five hot scenes. Covergirls Marlie Moore and Paige Love provide the oh-so-college lesbian experimentation with a sexy poolside fuck. Between their dripping-wet bods and all the tongues, toys and boobage going on, I got almost as wet as they were! Can you believe Paige has natural 36Ds? I know! Tall brunette Bobbi Starr does the whole anal thing. She even uses butt beads to warm herself up—and licks them afterward! She's also *really* good at blowjobs. But my personal faves were Kissy Kapri and Lindsey Meadows. Kissy's a blonde with big, big titties who knows how to handle a monster cock. Lindsey's a petite hottie with tons of sass and the biggest potty mouth I've ever heard. Her cries of, "Oh, God, yes!...*Omigod*!...Oh, shit! *Ooooh*, fuck!" totally got my panties in a bunch. The video quality or whatever was excellent. The girls all looked amazing as they did their thing, and the close-ups were so gorgeous, I felt like I could reach out and touch them. Looks like I'll have to settle for touching myself!

TEEN WORSHIP

★★★★

Exquisite Multimedia. Directed by Dr. Feelgood; starring Tori Black, Courtney James, Angelina Korrs, Ruby Knox, Robyn Lee and Mark Wood.

Teen Worship is like the vacation video of the luckiest guy in the world. Mark Wood is the only guy in the whole movie, and he bones all five chicks—a different girl each day—in his ocean-view hotel room while he's kickin' it in Miami Beach! The video quality is just, like, literally a guy with a camcorder, so it's kind of wack, but the girls are super cute, and the sex is pretty intense. Angelina Korrs and Robyn Lee make their porn debuts. Angelina is tiny, tan and tight in all the right places. She may be new to porn, but she's not new to sucking dick, and she has tons of energy. Robyn is a blonde with the most amazing boobs (34C, thank you very much!) who's perky and very loud in bed. The hottest girls IMHO are Courtney James and Tori Black, but the hottest scene belongs to Ruby Knox! She's all dark and exotic with a firm bod, an awesome ass and a naughty streak a mile wide. She's just there to have a good time, and it shows. Energy is the key. This Mark guy knows how to pick girls who are not only sexy, but fun and playful, and so horny they're bursting at the seams. I just wish, like, the lighting and the makeup and stuff could have been a *little* better. I'd be *soo* embarrassed if *my* ass pimples and cellulite were hanging out for everyone to see! But that's okay, girls—we love you anyway!

Hey, Robyn, Dolly Parton called—she wants her boobs back!

No string bikini can hold Ruby's boobies.

Courtney's all, "This ice cream cone sure tastes funny!"

PRINZZESS

royally screwed

photography by mark lit

Hi, guys! It's Jenny, the new intern. I know a girl who calls herself Prinzzess sounds like a total diva, but she's not! She's a high school grad who's putting college on hold to follow every girl's dream of becoming a star.

What's your favorite food?
Subway, Chinese, Wendy's.
What's your favorite song?
It changes frequently. I like a little bit of everything.
Favorite movie?
2 Fast 2 Furious.
Favorite TV show?
American Idol.
What's your favorite position?
Doggy-style.
What's your biggest strength?
My personality. I'm pretty outgoing, and I like to have fun.
What's your biggest weakness?
Feelings.
What do you look for in a guy?
I love men (and women) who are very nice, never boasting or showing off.
Have you been with a woman?
Oh, yeah! Lots of times!
What kind of girls do you like?
I like women who like women and love me and are super sexy.
How can a guy (or girl) best pick you up?
Guys gotta take it slow with me. Women are a different story—if I want one, I'll go find one right then and there!
How can a lover best make you come?
Spend time on my body. Older guys are better lovers because they take their time.
You're in great shape. Are you, like, a health freak?
A little bit. But I don't go to the gym that much—sex is the best workout!
What's your best physical feature?
My body. LOL!
What's up with that bush?
I like it. It makes me feel like a real woman. I keep it trimmed, of course!
Do guys like it?
Yeah. Every other girl shaves, so I think it makes me different.
You have perfect blowjob lips. Do you like to give BJs?
Yes, they are awesome!
Have you ever tried anal?
Yeah. I'll try anything once.
Did you like it?
Yeah. It's not my absolute favorite thing, but it spices things up.
What's the wildest thing you've ever done?
One time, I went skinny-dipping in, like, a total Amish community—and I caught this little Amish boy spying on us!
Would you ever have sex in public?
I'd be afraid of getting caught—but that's kind of a turn-on, too.
What's your biggest sexual fantasy?
An all-girl orgy.
What's the absolute best sex you've ever had?
One time I did it literally all night. The sun totally came up while we were still going at it.
You look really happy when you touch yourself. How often do you masturbate?
Every day.
What's your favorite method?
I just got a new vibrator that spins, and it has this little tickler thingie for my clit. It's the best! It's even waterproof, so I can use it in the shower!
You obviously enjoyed posing nude. Did it make you feel hot? Would you want to do it again?
Yes, it was awesome! I'd love to be a porn star! It looks like fun, and I think I have what it takes. ★
